Propose a vacation student project for Summer 2019

Deadline for making your proposal(s): 17:00 Friday 22 March 2019. This is a hard deadline.

This form is for one project proposal, so to propose multiple projects please submit a separate form for each project. Any queries, do ask - Toby.

Project supervisor email *

simon.harper@manchester.ac.uk

Title of the project *

A New Training Programme for PGR

Source of funding *

- School funding requested
- You have your own funding (e.g. research grant)

Objective of the project *

To collect, evidence and report on current CS PGR Training in the Russel Group and our own Faculty. This will provide an evidence based from which we can make informed choices about or PGR Training offerings.

Number of students requested (justify if > 1) *

1

Start date, end date, total duration (weeks) *

Start and End Dates Flexible 10-12 weeks
The benefit to the School *

Hopefully enable us to reduce PGR training, assessment and duties while maintaining quality and significance of the training.

The benefit to the student *

These research, presentation, and writing skills will be invaluable in their final year project.

Skills needed by the student. *

Good investigative skills, problem solving, effective communication, good reading and writing skills.

Details of the work that the student would do *

To be agreed

Infrastructure requirements and any required staff support other than the project supervisor *

None

Supervision arrangements throughout the duration of the project (named staff and dates covering the entire duration) *

Simon Harper & Bijan Parsia

Location of the project work (building/room) NB projects must be on-campus *

LF1&7
