Propose a vacation student project for Summer 2020

This call is now closed

The deadline for making your proposal(s) was 18:00 Friday 13 March 2020.

This form is for one project proposal, so to propose multiple projects please submit a separate form for each project. Any queries, do ask - Toby.

Project supervisor email *

duncan.hull@manchester.ac.uk

Title of the project *

Supervisor finder

Source of funding *

◉ Department funding requested

◯ You have your own funding (e.g. research grant)

Objective of the project *

To improve the supervisor finder https://supervisors.cs.man.ac.uk/

Number of students requested (justify if > 1) *

1

Start date, end date, total duration (weeks) *

12

The benefit to the Department *

Improved student experience. A better supervisor finder, allowing students to find and propose projects to appropriate members of staff

The benefit to the student *

Develop a web application used by hundreds of students every year

Skills needed by the student. *

Web development

Details of the work that the student would do *

Improve the supervisor finder so that searching and browsing is easier and synonyms (rather than exact phrases) can be used. Provide more information on supervisors (e.g. number of projects), links to publications, homepages etc

Infrastructure requirements and any required staff support other than the project supervisor *

Supervision arrangements throughout the duration of the project (named staff and dates covering the entire duration) *

I'm available all summer

Location of the project work (building/room) NB projects must be on-campus *

Kilburn building
